Travel Expenses ByDintec Add-On

Business process optimization is essential for our clients at **Dintec**, therefore, we've developed a suite of software tools tailored specifically to enhance their operational efficiency.

Our **'Travel Expenses ByDintec Add-On'** offers a streamlined process for logging employee travel and related expenses, regardless of the amount. This is achieved by filling out a designated template in an Excel file, which can then be uploaded to the **SAP Business ByDesign** system. Once uploaded, you can conveniently view expense breakdowns for each document directly from your work center.

The **Travel Expenses ByDintec Add-On** simplifies expense management and record-keeping, saving time and reducing the need for manual data entry. Plus, it allows for the analysis of travel expenses via **SAP Business ByDesign reports.**
